Not My Life

If they say sacrifice,
Was the new way of life,
Then my life,
Would never suffice.
If they say living,
Is all about killing,
The it's only the beginning,
Of will soon be the ending.
If all you do is cry,
And continue to lie,
Then you can say bye,
Because that's not my life.
So while I am in heaven,
Enjoying getting a blessin,
You will be in hell,
Falling under the devil's spell.
So if you try to change my life,
try to lie and cry,
I would not lie,
Because life won't suffice.
