# BIG AND SMALL COURAGE

Courage has many faces,  
Of it there are always traces.  
It is found in the smallest,  
It is found in the biggest.

The smallest courage does display,  
Much to the bully's dismay.  
The biggest courage seldom uses,  
Instead with size and strength abuses.

Courage is prevalent in every creature,  
But in the smallest is a most admirable feature.  
The big and strong of it have a spoonful,  
The smallest have an ocean of it, although deceitful.
