Foot Securely in Mouth!

Foot Securely in Mouth!

If getting your foot up to your mouth was possible,

Iâd be eating shoe leather at this very minute

Just when I think everythingâs looking good,

I say something unbelievably terrible,

The kind of thing you canât believe you just said

You think youâre helping, but youâre making things worse

Then, the more you try to fix it,

Youâre only digging yourself in deeper

Why, oh why, canât I just leave things alone?
