# Spinning Though the Void-poem

## Spinning Through the Void

Drifting, rudderless, a ghost ship sailing nowhere

Just a reluctant captain on an uncertain voyage

Who; what, why? I just can't see any answers

Iâ m just spinning through the void, going nowhere, fast

No lighthouse to guide me past these dangerous shoals

Nothing to be seen for miles except darkness

No instructions to tell me what to do or where I should go

My steps are tentative and uncertain;

What if this isnâ t the right way?

Are you happy now, Dibs?
