I am Poet (The Mistress of Word Play)

**I am poet,
the mistress of word play.
Collector of thoughts,
and dreams others cast away.**

**I am darkness,
and the morning sun growing.
I am moondust,
a gentle breeze blowing.**

**I am caster of spells,
the creator of fantasy.
I am a daydream,
and cold hard reality.**

**I am poet,
forever, love bound.
Lost in lyrics,
endless creator of sound.**
