## **The Gems of Autumn (The Spirit of Fall Challenge)**

**I watch from the window  
as sunlight plays across the trees.  
and I behold that rainbow  
rippling softly in autumn's breeze.**

**Yellow, orange, and red  
caught against the sky so blue  
a myriad of colors in my head  
the gems of fall in every hue.**

**Observing in peace and reflection  
as a season arrives with all its beauty  
and summer feeling my rejection  
exits left to perform another duty.**
