# A POEM ABOUT NOTHING

could i write a poem 'bout nothing ?

could such a thing be done ?  
i guess i'll just start scrawling  
oh my gosh, i have begun

its not a real good start here  
and i don't know how to end  
but i'll keep my ballpoint speeding  
till the last ink i will spend

most times i have a topic  
or a point i want to make  
but this is purely mindless  
its a phony no good fake

but i'm right up to the middle  
its a muddle, that is clear  
cause i'm flying from my pant's seat  
with all hindsight to the rear

but at least the damn thing's rhyming  
like a poem is 'sposed to do  
and its got a sense of timing  
so i guess i'll see it through

when i reach the paper's bottom  
i believe that i will stop  
should i then just type it backwards  
from the bottom to the top ?

but of course that would be senseless  
oh that's right, that is the point  
to scribble aimless wordpaths  
like a nose that's out of joint

there's a little bit of room here  
then this mess will be complete  
i hope i am successful  
in this stupid little feat

so i hope you will forgive me  
and not kick me from your home  
for having the audacity  
to write a nothing poem
