# COWBOY DANCE

a staple of the western

was the good ol' cowboy dance  
with his spurs so brightly jingling  
as his boots began to prance

it was not quite like a tango  
or a mambo or a waltz  
it was just a step they made up  
as guys pointed out their faults

and the music that they followed  
wasn't quite the normal kind  
for it roared out from revolvers  
as the bullets spat and whined

folks are careful when they're dancing  
as to not step on some toes  
but even more when ammo  
is delivered by their foes

and those outlaws pulled their pistols  
every time they got the chance  
for there's nothing's more amusing  
than to see a cowboy dance
