DID YOU EVER ?

DID YOU EVER ?

did you ever wander out into the big black night

feel it wrap it's arms around you and you just can't fight

look out

maybe

your nightmares have eaten your dreams

did you ever turn left when you should have turned right

should have walked into the sun back when the future looked bright

look out

maybe

your're coming apart at the seams

did you ever sit down and just submit to your fright

wish that you were someone else for maybe just one night

look out

maybe

you're playing on opposite teams

did you ever find a tunnel that absorbed all the light

like your eyes had been dissolved and you're deprived of your sight

look out

maybe

your lighthouse has snuffed out its beams

DID YOU EVER ?

DID YOU EVER ?
