# GOODBYE YELLER OL' BOY

when is gonna bite down ?  
where will his deadly fangs land ?  
he cannot stay on our farm  
we need to kill him, says my old man

i know that dogs don't live forever  
but didn't know death was due  
it ain't too pleasant, but i've gave up hopin'  
this dog's too young to be killin'...boo hoo

so good bye, yeller, ol' boy  
you're a dog gone decidedly foul  
we may plant you 'neath your doghouse  
its no darn good to you now

though i've been howlin', it ain't done no good  
this ain't a thing i enjoy  
its all been decided...you gonna die  
goodbye, poor yeller, ol' boy

what do you think i'll do then  
when i am so filled with pain  
i'll cry for my puppy, then grow catatonic  
i do not want a pet again

dad says we'll get a replacement  
there's plenty more dogs at the pound  
mongrels ?...hell, i don't want any  
no one's special as you...my ol' hound

so good bye, yeller, ol' boy  
you're a dog gone decidedly foul  
we may plant you 'neath your doghouse  
its no darn good to you now

though i've been howlin', it ain't done no good  
this ain't a thing i enjoy  
its all been decided...you gonna die  
goodbye, poor yeller, ol' boy
