KEEP YOUR EYE UPON THE CANVAS

# KEEP YOUR EYE UPON THE CANVAS

keep your eye upon the canvas

you must contemplate each stroke  
for your life can be mysterious  
reflections framed by smoke

keep you pressure nice and low  
and keep your expectations high  
you're an artist  
life's the canvas  
so upon it, keep your eye

keep your breath upon your ship's sails  
as you journey 'cross the sea  
do not trust the fickle waters  
that will drive you aimlessly

have no fear of the horizon  
it is not the edge of death  
you're a sailor  
life's your ship's sails  
so upon it, keep your breath

keep your hand upon your loved ones  
for no person stands alone  
and your heart must be kept buoyant  
or it sinks just like a stone

and without the thoughts of others  
life you cannot understand  
you're no island  
you need loved ones  
so upon them, keep your hand
