# KITTEN EYES

you say that love's a brand new game

you're unsure of the rules  
the suitors in your life  
have been abusers, fakes and fools  
so when someone approaches  
you're suspicious as can be  
i know you find men hard to trust  
but take a chance with me  
they say that love is blind  
and it will burn you with its lies  
but ours is just a kitten  
that's not opened up it's eyes

you say that love has left you sad  
and armor you have grown  
the suitors in your life  
have left some poison seedlings, sown  
so when you hear a love song  
you're as wary as can be  
i know you think its all for naught  
but take a chance with me  
they say that love is blind  
and it will leave you scarred and cut  
but ours is just a kitten  
whose young eyes are still glued shut

you say that love is not your style  
it takes too much to try  
the suitors in your life  
have let you down and made you cry  
so when you hear "i love you"  
you reply, "just let me be"  
its hard for you to drop your guard  
but take a chance with me  
they say that love is blind  
but given time, i'll find the tools  
and ours will be a kitten  
whose weak eyes burst into jewels
