MILK OF AMNESIA

milk of amnesia

to help me forget
let memories fall
from my mind's knotted net
my thoughts can dry up
when my whistle is wet
milk of amnesia
to help me forget

milk of amnesia
to cool down the heat
my soul is on fire
an inferno, complete
i'll float over coals
and i'll not burn my feet
milk of amnesia
to cool down the heat

milk of amnesia
let blackness set in
let's worries tumble
and drip off my chin
a lovely baptism
erasing all sin
milk of amnesia
let blackness set in
