MY DREAMS ARE LIKE A MOVIE

Â

i close my eyes and go to sleep
thenÂ i begin to dream
andÂ beneath my twitching eyeballs
many images will stream

.

i know that, soon, my loved one
will be coming into view
my dreams are like a movie
and the star is always you

.

i don't know what we'll do there
it is different every time
the day will choose the flavor
of the evening's flowing rhyme

.

i find i am enraptured
by the play that will ensue
my dreams are like a movie
and the star is always you

.

the reels begin unwinding
no projectionist controls
a little voice says, "action"
and the script insideÂ unrolls

.

each day i'm in your company
and when that day is through
my dreams are like a movie
and the star is always you
