# THE LOVE THAT'S NOT RETURNED

does love grow fire resistant  
as the longer it has burned  
does love become resilient  
every time its dashed and spurned  
does love create more theories  
when it's lessons are unlearned  
the love that lasts the longest  
is the love that's not returned

does love become much brighter  
when it's glow is not discerned  
does love begin new stories  
when the chapter, last, has turned  
does love regain its appetite  
when stomach has been churned  
the love that lasts the longest  
is the love that's not returned

does love grow ever taller  
when the target's unconcerned  
does love sing even louder  
when it's echo is not yearned  
does love increase in value  
when no interest's ever earned  
the love that lasts the longest  
is the love that's not returned
