# VICTOR'S SECRET

now, victor had a secret

although hardly a disgrace  
he manufactured underwear  
of satin, silk and lace

Â

but these items weren't constructed  
for the body, feminine  
no, victor made these garments  
for both little boys and men

Â

so you could buy bikinis  
with the logo, mighty ducks  
or maybe grace your fanny  
with those ol' milwaukee bucks

Â

a velvet green bay packer  
that is sexy and defiant  
or maybe something cozy  
for your san francisco giant

Â

and not just teams of sportsman  
he made navy and marine  
in front, a row of medals  
and in back, a battle scene

Â

a cast of famous cowboys  
and the race car driver crowd  
the former, made of leather  
and the latter, much too loud

Â

but of course, its mostly hidden  
but if you should care to glance  
you'd be surprised what's in there  
when a gent is stripped of pants
