# YOUR SWIRLING RIVERS

i shall swim your swirling rivers

i shall navigate your sea  
chart the currents that deliver  
all your fears so secretly

and i shall not fear the rapids  
for that's where i'm meant to be  
i shall swim your swirling rivers  
i shall navigate your sea

i shall climb your highest mountains  
i shall roam among your hills  
past the waterfalls and fountains  
through the gusty winds that chill

and i shall not fear the ledges  
as the paths, my footsteps fill  
i shall climb your highest mountains  
i shall roam among your hills

i shall wander through your valleys  
i shall find out why you wept  
through the darkest trails and alleys  
and their weight i will accept

and i shall not fear the trapfalls  
where your doubt in me is kept  
i shall wander through your valleys  
i shall find out why you wept
