YOU'RE SO FRENCH

well, i've been to perris, texas

never been to paris, france
but when i see your face, then the commonplace
gets all charged with sweet romance

you've a lovely arch of triumph
not to mention your left bank
when you're in my brain, i just go in seine
i just go crazy, to be franc

you're my pretty eye full tower
a museum that i louvre
when you're standing there, a mere county fair
can become an instant groove

for you can make a hot dog bun
become a sweet french toast
you can keep versailles, your love makes me high
i just point at you and boast

i'm a man of very humble roots
and a king i'll never be
cause i'm just a hick living in the sticks
but with you, i'm royalty

and for you i'd get up orly
and to a sidewalk cafe, fly
i'm a big galoot but you're so darn cute
you're so french, you make me fry

YOU'RE SO FRENCH

YOU'RE SO FRENCH
