

oh to be a sugar plum fairy

oh to be a sugar plum fairy

By : My Ria

I feel very sad and confused today so I had to seek out a structure to write something. It's probably a lil boring....but is all i could come up with after a hour and a half of drawing on the beach.... a clerihew.

oh to be a sugar plum fairy

oh to be a sugar plum fairy

My inner ballerina's name is Claire

Hearing Tchaikovsky, her tiptoes glide on air

The civic ballet by the bay, for it she waits

While listening to the orchestra, she doesn't even know the date

oh to be a sugar plum fairy

oh to be a sugar plum fairy
