# LIFE MOMENTS

## PANORAMA OF LIFE

In the arms of love some heart would say  
Only if things last forever!

In the charms of love some soul says  
My word, I would die for that/you

In the warmth of affection someone says  
Iâve got the whole world in my hands

In the heat of passion I heard him exclaim  
And thisâ how sweeter it gets!

In the lapse of golden times he could testify  
That it all gets better with time

In a pool of blood, an ocean of tears, his end of days  
Itâs hurting me he incessantly screams

In and through the pangs of pain he counsels  
Youth, take your time and act circumspectly

In age-old wisdom and experience he seals it all  
To have life, fear God and keep His commandments
