Do You Know?

Do You Know?

(c)5/4/2009. By Poerlife.

Do you know

Where I come from?

Do you know

Where I have been?

Do you know

My story, life, pain, joy, suffering, all?

Do you know

My mind, heart, spirit, soul?

Do you know

Where I am going?

Go find yourself first

Then we may talk.

Have I found me?

Know me you ask?

I know my truth.

Do You Know?

Do You Know?

Do you know yours?

Go find your truth,

Before you think you

Know me/mine.

Do You Know?

Do You Know?
