N -A -I -V -E.

N -A -I -V -E.

Is it hard to be naive?

Un-informed?

Searching for who you are?

Living each day

In a blank space?

In the human race.

Trusting so called relationships?

Truthful they not always are

Give life a heavy blow.

Not knowing

Truth of your days? Life?

Simple minded?

Go with the flow.

Betrayed trust?

Is it good?

I suppose many know?

I think it's better

To be naive,

In certain circumstances

Don't you?

N -A -I -V -E.

N -A -I -V -E.

Yet, as the saying of

Old goe's

To be informed

Is to be

For- warned.

I agree.

To be naive

Is

Also good.

Dont you agree?
