WORM BITES

Just whan all is going right.

Here come the worm bites.

Sitting just geting a fill.

Here come the worm bites.

Holding hands under the stars.

Here come the worm bites.

Work was a plesant sort of thrill.

Here come the worm bites.

All my friends wonder at me.

Here come the worm bites.

All things seem on track.

Here come the worm bites.

Pray to GOD on church Sabbath.

Here come the worm bites.

What is really happening to me.

Here come the worm bites

.What's this worm, that bites so much ?

JUST A JEALOUS WORM THAT BITES.
