Dysfunctional.

Dysfunctional.

**Everything is dysfunctional,
Everyone is dead inside,
An animal is trapped,
A stop sign is peeling,
Downing street's name is meaningless,
A cloud is shapeless,
Pavement is cracked,
A butterfly is caught,
Time is wasted,
Life is unappreciated,
A family is arguing,**

Dysfunctional.

Dysfunctional.

Air is unnatural,

Rain is acidic,

Breathing is sinful,

Murder is accepted,

Pain is frequent,

Disguise is common,

Death is inevitable.

Dysfunctional is Everything.

Dysfunctional.

Dysfunctional.
