# Never Understanding.

*A poem about our connection with our close relatives, monkeys. (Whom I love, by the way. They're sooo cute)*

**Protecting one another,  
Connecting with us,  
But never understanding,  
Unreasoned hate.**

**Looking to their leaders,  
Connecting with us,  
But never understanding,  
Money or greed.**

**Praying for survival,  
Connecting with us,  
But never understanding,  
Wars and weapons.**

**Climbing high to achieve,  
Connecting with us,  
But never understanding,  
Killing for a thrill.**

Never Understanding.

Never Understanding.
