I don't know, this title just jumped out at me :) It sounds like this might be silly or serious, I haven't fully decided, haha

I'm a Beautiful Whatever-I-Am

I'm a beautiful Whatever-I-Am
Such a lovely This-Is-Me
I know I'm not a Fake/Lie/Sham
But you could call me Mrs. Me

I'm kind of like a Tigger-Thing
'Cause I'm the only Who-Am-I.
Comparing me to everything,
I'd say there's never two like I.

I am me, and this is true:
It'd never do if I were you!
I'm sure that two would fail, you see.
If ever three tried to be me!

Suppose I'm you and you are not
Well, there's a lot of good we've shot!
You're the best You there could be,
Just like those two who can't be me!

Inspired by Mother Teresa!

â What I do you cannot do; but what you do, I cannot do. The needs are great, and none of us, including me, ever do great things. But we can all do small things, with great love, and together we can do something wonderful.â
