Negative LOVE

Hello Iâ€™m a negative thought,

You probably shouldnâ€™t be reading me

Ill just make you sad,

So ill hand you over to my friend,

Mr Positive,

Here he comes now.

Giving up doesnâ€™t mean your weak,

Sometimes it just means your strong enough to let go.

My silence is just another word for my pain.

Good relationship doesnâ€™t need promise, terms and conditions. It just needs a She who can trust and a He who can be loyal.

I trust youâ€™ is a better compliment than â€™ I love youâ€™ because you may not always trust the person you love but you can always love the person you trust.

Woman wants a man who protects her like a daughter, love her like a wife and respect her like his mother.

The best thing is life is finding someone who knows about all your flaws and still thinks you are amazing.

Everyone says that love hurts, but thatâ€™s not true. Loneliness hurts. Rejection hurts. Everyone confuse these things with love, but in reality love is the only thing in this world that covers up all the pain and makes us feel wonderful again.

A relationship is not based on the length of time you spent together; itâ€™s based on the foundation you built together.

Everyone comes with baggage; find someone who loves you enough to help you unpack.

The only abnormality is the incapacity of love

Falling in love is like jumping of a really tall building, your brain says this isnâ€™t a good idea, your heart says you can flyâ€™.

You donâ€™t need someone to complete you; you only need someone to accept you.

Be who you are and say what you feel cause those who mind donâ€™t matter, and those who matter donâ€™t mind.

Negative LOVE

The heart Is a muscle, and what to muscles do when they are TORN, they grow back STRONGER.

Love is just a word until someone comes along and gives it meaning.

Friends show their love in times of trouble.

Donâ t do something permanently stupid, just because you are temporally upset.
