

Go Cold

Go Cold

By : **ShadowHeartedCowboy**

this is about a couple who break up and one still feels the love he had with the girl. Most of the time it's the other way around, but this is one that was different.

Go Cold

Go Cold

Walking down the darkened street,
Just trying to clear my head,
The events that happened today,
I just wish they would go away,

I thought we'd be forever,
Then something came and tore it away.
Things will never be the same,
How could a warm day go cold?

The sun outside was shining bright,
The day was full of life,
Fights came that tore it all away,
Made a bright day dark with rain,

I thought we'd be forever,
Then a fight tore it all away,
Things will never be the same,
Why did a warm day go cold?

What we had in the past,
Was something I thought would last,

Go Cold

The love that we shared,
I never thought I'd see it go cold,

The warmth we had together,
Through everything, we stuck together,
I still feel the same as before,
I'll feel the same until I go cold,

I wish you never went away,
Why did you have to go,
You decided to go away from me,
Oh why did you decide to go cold,

Walking down this lonely street,
Listening to the pouring rain,
Wishing I was there with you,
And the day didn't go cold.
