Hope's Encasing1

Kept amongst all there is

Becomes an entity of something indefinite

Created upon the lasting fear

That the internal lies â

- Where you sat

Becoming something withdrawn apart

Keeping inhibited abilities around

Creating a masterpiece of solitude

Only to return one day to your â

- Own sound.

Hope is everlasting just unknown

Always forbidden from the hurtful home

Open spring windows, and â

- Sing with the bluebird

Hope's Encasing1
