Is This Freedom?

Is this freedom?

Freedom is what?

That child should not know-
Behind his mind, he faced the time
Childhood to young, Adult
Little footstep-

Mother's grip- love to open a new horizon-
Wisdom corrupt and hacked by thee
Bloody hunger thee,
As Haynes so many, greedy glee

His motherland raped and ringed by thee
As vulture desires-
A dead flavor burns-

Cash and gun threaten river and song
Like everything even his known world

The boy is now hard as diamond
His seismic mind as tides of a tsunami-
Drifted shore and core of the earth
Again and again-
He thought, is this freedom?
It's high time to challenge
A Fight for Freedom to choice-
