Advice to a Close Friend

Why donâ t you give yourself a break?

Youâ re not the only girl that the boy misled.

Youâ re not the first girl to make a mistake.

Your lust for the boy flowed like an overbearing lake.

Now you wish he was dead.

Why donâ t you give yourself a break?

The boyâ s lies squeezed your heart like a snake.

Now it hurts to say his name, so you call him â dickheadâ .

Youâ re not the first girl to make a mistake.

Your manâ s heart did ache

When he saw you lying with the boy in bed.

Why donâ t you give yourself a break?

You regret the affair in which you did partake.

You were forgiven after you pled.

Youâ re not the first girl to make a mistake.

Just the thought of the boy makes you shake.

Several years later, you still canâ t get his image to slither out of your head.

Why donâ t you give yourself a break?

Youâ re not the first girl to make a mistake
