Yeah, sure everything heals?  
But what happens when you've finally crack?  
Yeah, he hit the last piece holding me together  
And so yeah, now I'm a mess!  
But I guess nobody cares, right?

I mean come on; he said it right in front of my mom!  
She didn't say anything! Unless she whispered it!  
Shouldn't that be the best part?  
Ha, for the worst ending ever!  
I'm not even gonna bother picking up the pieces!

I got two things keeping me on this earth!  
Other than that, I'm already dead!  
But wait I'm all smiley and fine  
Well it's an act!  
I must act good, or they must be blind!

I can't take it anymore  
I'm finally down in the bottom  
And I was doing so awesome!  
But how can I when he hit the worst parts and he knows it!  
That the thing, I can't!

I've finally hit rock bottom!  
He should be so happy!  
This time I'm not getting back up  
Why so he can tear me down?  
I'm barely staying sane here!

But yeah they so care for me!  
I'm just a drama queen  
They don't see me slipping away  
Or they just don't wanna admit it!  
Who can I turn to?

Yeah, ninja Izzy will save me!  
Yeah right, he doesn't care. He's a snob!  
Yeah I have friends but they live to far away!  
I'm hopeless maybe I should just end my life?  
It'd make his day!

Nah, I'm not going that low!  
I still got my writing!  
And my friends!

But Iâm gonna go crazy!  
Donât you see these tears?

Yeah, best friend how come I didnât come to you?  
About this time?  
Because I donât wanna bother you with all my troubles  
I mean you know heâs a jerk  
And guess what turtle; he really did it this time!

Sure I say this all the time!  
But I actually mean this!  
He just tore down all my hard work  
My wall I built crumbled!  
My life is in ruins!

I got nothing to live for  
But a cat, my friends, and my writing!  
Shouldnât my mom had go in my room to comfort me  
When I busted into tears?  
No, sheâs worried about him!

I guess theyâre all scared of him!  
It sure looks like it!  
Iâm done faking, smiling, laughing, joking, and having a life  
Why when heâs only gonna take it right from under my feet!  
So why even try?!

It not worth it!  
Why get my hopes up?  
When they will be thrown into millions of pieces?  
I canât pick up the pieces this time!  
There is just so many!

He hit the last thing keeping me together!  
And my mom never got on him!  
So why even try anymore?  
Why shine when I get awards for poem contests?

Yeah, Iâm giving up hope  
I wonât get my life back  
Not this time anyways  
To be honest I donât really care anymore!  
Iâm really giving up on everything now!
