Fifteen is the year!

Well this is it
No more drama
This year is the year
Gonna be the best yet
No more dealing with your mess

Iâ€™m moving on
Iâ€™m better than that
I won't play the childish games
I gotta better things to do
Itâ€™s just a waste of time

And Iâ€™m through with it
No more sleepless night
Because Iâ€™m too busy worrying about it
Not this year
Fifteen will be the year

With no drama
Iâ€™m above that
It not gonna bother me
This year will be my year
Iâ€™m not gonna let drama be in the way

Fifteen will be the best year yet
No guy dramas
Or back-stabbing friends drama
Or family drama
I won't pay attention!

No guy will make me fall head over heels
Not unless I really want to
Iâ€™m not getting hurt this year
My heart and mind needs to heal
My fifteen year will be the best drama-free year yet!

Fifteen is the year!

Fifteen is the year!
