# Three more years to go!

By : StephandBrutusandIzzy

Doesn't every teen count down the years until they're out on their own? Well this is what it's about. Kinda. But there will be a lot of emotion in it. (Just to warn y'all) Enjoy it though!

Three more years to go!

## Three more years to go!

Can't wait to finally get out!  
To get away from yours tight grip on me  
And be able to be free  
Not having to worry about who's controlling me!  
And I won't look back!

I'll be on my own!  
No more having to put up with them!  
If I could I'd leave today!  
But I got three more years  
To be living in hell!

But trust me as soon I turn 18, I'm moving out  
Nothing will hold me down!  
No more having to listen to him  
When he isn't even my dad!  
I won't have to be abuse by my brother!

I'll be a free bird!  
Able to live on my own, by my rules!  
No more worrying about upsetting her or him!  
I will finally be able to be happy!  
No more holding back the truth!

Oh yeah, I can't wait!  
That day will be here in no time!  
And I will be waiting  
For the day I can leave  
Where he can't control me!

Ah, that will be the day  
The day if she is still alive I can tell her off!  
Oh yeah, I really can't wait!  
But for now you're tighten the grip on me!  
Oh boy, I can't wait for that day!

Three more years to go!

Three more years to go!

Three more years to go!
