I Don't Know

What would you like to eat today

I don't know, I can't say

Where would you like to go today

I don't know, I can't say

I don't know what I want to eat

The white or the wheat

What I want to sample

A meal or a treat

I don't know where I want to go

A park or a show

What I want to see

The equator or the pole

What would you like to do today

I don't know, I can't say

Where would you like to stay today

I don't know, I can't say

I don't know what I want to do

Will it be alone or will it be with you

What I want to know

Before the day is through

I don't know where I want to stay

Be it here or be it far away

What I want to hear

Is what you would say

I Don't Know

I Don't Know

I Don't Know
