I'm Not Me Anymore

I'm Not Me Anymore

Is that me there in the mirror
Is this the demon that you see
I've never seen me this way before
I'm not the angel that I use to be.
I can see now why you run
I can't believe that I've changed
You said I use to be so much fun
But now you say I'm deranged.
I'm not Anakin Skywalker anymore
I don't care now why you cry
You ask what Darth Vader has in store
I have all this hate bottled up inside.
I've got to stay away from you
I can't fight the dark side you see
Once upon a time is over and through
There is no future for you and me.
Yes, that's me there in the mirror
This is the demon that you see
You've never seen me this way before
Well I'm not the angel that I use to be.
Let's see how fast you can run
You can't believe that I've changed
You said I use to be so much fun
I would say that my life has been rearranged.

I'm Not Me Anymore
Because I'm not me anymore...
