**1:40AM**

Awake, alone,  
Foam spills from the walls like the jaws of a rabid dog,  
The room shakes with insanity, blurred in confusion,  
A sickening feeling in the pit of your stomach arises,  
Sweat covers the body in a wild, feverous panic,  
Reaching out to distinguish reality,  
Terror consumes every fibre of your existence,  
Babbling like a crazed child.
