thinking about you..

thinking about you..

thinking about you

the way you smile

your eyes hold magic

seperated by miles

i'll hold onto you

never let you go

your beautiful voice

comforts me when im low

forever will be

when im in your arms

kissing you is what i want

ive never felt so calm

three simple words

i love you

always will

its amazing how you feel the same to

thinking about you..

thinking about you..

thinking about you..
