we are the ones left to fray

## **we are the ones left to fray**

why am i never good enough

why am i always second choice

like a silver or bronze medal

the bitches get the victory

while leaving the honeys to decay

no-one ever wants us

we are the ones left to fray

we may not be the prettiest

or have the perfect body

but atleast if you hand us your heart

we wont let it fall

so go ahead and choose another

dont take my words into account

but when you fall remember what i said

about the ones that let you down

we are the ones left to fray

we are the ones left to fray
