# A Poem For Mum !

Mum, I want to thank you

For everything you've done.

For helping me through my pain  
And all my struggles I've overcome.

You always listen to my problems  
And try your best to understand.  
You are always here to help me  
Whenever I need a hand.

You have told me right from wrong.  
Always shown me the right way.  
So thank you, Mum, for making me  
The person I am today.

You show your love so easily.  
I can tell how much you care.  
When I need a hug or a shoulder to cry on  
I know you are always there.

You're there when I need to talk  
And always there to wipe away my tears.  
You're there to keep me safe and warm  
And help me overcome my fears.

You give me great advice  
And support me with whatever I do.  
You give me all the answers  
When I haven't got a clue.

I know you have your worries,  
But don't worry, I'll be fine.  
You're the Mother that makes me stronger  
And I'm so happy that you're mine.

So thanks again,  
For being the best Mum in the world.  
And know that I am so thankful  
That I'll always be your little girl.

To my Mother  
And my best friend.  
I will love you always  
Untill the very end.
