OH SWEET ANGELIC CHILD

Oh sweet angelic child, stripped of life and gone

Buried deep in your grave, I sing your song

A victim of Jewish hegemony and evil in Palestine

A young girl named Amina, just turned nine

Walking to school in the company of friends

A hail of bullets strike her and her life ends

Sweet young ones, some injured, others gone

Lament and grief, cry and mourn

Young Amina, the youngest of them all

Pumped into her ten bullets in all

Corpses carried home, draped in white sheets

Of young ones perished and gone

Sobbing fathers, wailing mothers bury their dead

Bitter Memories they leave; a trauma and torment

OH SWEET ANGELIC CHILD

OH SWEET ANGELIC CHILD
