

Take the mile

# Take the mile

By : tigerlilly17

Don't run just because its hard, just walk it out.

# Take the mile

**Every mile you take,**

Every mile you walk,

Donâ€™t run through it,

Take your time on your mile,

At the end itâ€™ll be worth it,

Even if the road is bumpily,

Walk the mile out,

At the end youâ€™ll be glad you did.

Take the mile

Take the mile
