Go Ahead..

## Go Ahead..

Something causes the change in me,  
I am no longer the same as I used to be.  
You have spoken the unspoken words,  
Silence in the wind speaks to my heart.  
The craziness of mind ended in the dark,  
I am standing at the light of the planet earth.  
You have rescued me from my acquisition,  
I am free from worldâs charges of speculation.  
Southern sky walks with your blessings,  
The golden heartâs feeling is getting in.  
A pain in your eyes light up my beginning;  
Whenever I am drawn to my own world,  
You havenât said a word at all.  
All days know a ray has a hope,  
Time changes the meek guy to brave heart.  
My fate is not written on the wind,  
The breezes find me hard to define.  
I have written it for the new world to fly,  
It will never be lost after I die.
