the Holy Mary nature

"V"essel with content of blood.

"I"n the entrance of the feminine sacred part,

"R"esident there it is, but no function.

"G"ateway, gatekeeper to the vulva part.

"I"ntensively guard it, break it not.

"N"urture it till the day of thy honeymoon,

"I"t will be thy pride, if thy spouse should break it.

"T"ill all eternity you will remember that blood flow,

"Y"our heart will leap for joy because thou kept thy virginity.
