again, this sort of a random poem. I find that it is about finding the meaning in meaningless things, but the thing with poetry is - you decide what it is about, so feel free to let me know what you think :)

# squigly lines

Don't underestimate anything :

## squiggly lines

All in non directions

Leading the wrong way

A line with a meaning

A man with-out a say

No end in site

Like poor men's wows

Horrors that go on forever

Tangled by their own endeavor

Trying to reach an un-touchable spot

A dot, a smudge, a streak of a speck

Which dove off a lofty ledge

Wave at one small step for a speck

One giant step for the squiggly streak

squigly lines

squigly lines
