

tiered...of everything

tiered...of everything

By : veltzhmertz

A poem about being tiered, tiered of everying and not knowing how to get life back on track (really short!).

tired...of everything

tired...of everything

Tired â

Tired of eating, of working, of reading, of writing, of tv, of music, of people, of pain, of tears, of hardship, of life.

How long would one need to sleep to get refreshed enough to start

all

over

again?

tiered...of everything

tiered...of everything
