It Ends Today

The cries of mankind

And the roars of the ocean

How could we have been so blind

To just now see it's the end.

Our buildings are collapsing

And our spirits are broken

It's our fault for not relapsing

Our feelings our unspoken.

We fear all day

And pray all night

We were all made stray

And have been forced to fight.

The children go hungry

And we are all in so much pain

We will never recover fully

And forced into an eterninty of vain.

It Ends Today

It Ends Today
