Mr. Cemetery Man

Mr. Man with the shovel

Who tends to the non-deceased flowers

And makes his life FULL.

Mr. Others before me

Who surrounds himself with sadness

And the agony POOL.

Mr. Time of day

Who goes out of his way for people, not-people.

And knows that the outsiders call him a FOOL.

Mr. Cemetery man

Who is not recognized for his duty

And made an oath to not be a GHOUL.

Mr. Cemetery man

Thank you for watching over

The people we no longer do

Your duty is good and your heart is right

And one day we'll do the same for YOU.
