Happy Birthday Jenny

*I stand over your grave holding a dozen roses
A card in the other hand holds a song we wrote together
I wish you were still around to tell me I was special
I wish you were here so I could tell you I missed you
But since your gone and God took you and put you beside him
I wish a happy birthday to heaven placing these roses upon your grave
I wish I was there for you more and I hadn't left you behind so much
Baby I'm sorry for not being with you when you needed me
Please forgive me and give me a kiss in my sleep to tell me
You forgive for letting you die so empty
I love you so much with all my soul and heart
I would die for you just to let you see me
But it's not my time yet honey so wait for at heaven's gates
And when you wish upon a twinkling star I hope you wish to see me
I know it maybe the last time I see you
But always wait for me at the gates oh please
I wish you happy birthday today and forever and always*
