## Ties

Zohara Ummey Hassan

I don't know why do you break my love trembling  
Crush it and flew forever, leaving me in gloom  
Like a river, still I hunt you with endless flowing  
With a desire to boom!

Oh, no, don't get frightened, no revenge  
Beg for reunion or reconciliation? No!  
I only want to pardon you for your treason  
And want to see your new love for whom u depart me!
